Corey attended the Farmers Market Research Project put on by Cornell. He presented some great info to the Sub-Committee, very interesting and potentially very useful for this committee.

We are waiting for the logo with a border then signs will be made.

Discussion regarding press release and ways to get it published.

Food trucks will use the same application

We are seeking a list of food trucks that the Chamber has already scheduled for the gazebo so we can contact them for the market as well.

The food trucks will be in a different location than on the draft map provided by Marcia originally

Next meeting will start at the Village conference area, at 6:30 we will go to the High School and finalize the map.

We will try to include the map in the vendor application.

Meeting Adjourned 7:06 pm

Next Meeting is May 20th 6pm at the Village Office
