Introductions

Kickoff Meeting agenda:

- The purpose of pursuing this process is to promote and protect our agricultural resources through positive planning and development. The Town and Village of Mexico believe we will be experiencing growth, with or without Micron so it is very important to protect and promote our resources and understand those that impact our agriculture and natural resources.
- Nan presented what her role will be.
- We need to define "Farmland"
- Discussed Markets and infrastructure
- We need to coordinate with the writing of the Comprehensive Plan.
- We are going to need to make sure that the community knows that there are 3 different surveys that we want them to participate with.
- Rick spoke with us regarding GIS Mapping and the important role this will have through the process as well as a future Interactive Mapping Application.
- Ellen spoke in regard to Current Conditions and Data collection, how we might obtain information and support from; again we spoke of some of our partners and supporters
- We discussed our Town/Village web page
- Discussed the Comprehensive Plan
- Nan and her team will be searching for 10 people to be part of a focus group.
- Discussion regarding SWOT
- Marcia will send some photos to Nan from our area to use on public documents
- Future regularly scheduled meetings will take place on the 4th Thursday of every month beginning January 22nd at 1:30. Most meetings will be done as Zoom meetings, participants can personally attend at McAuslan Hall or attend by zoom.
